Set an example by supporting other gymnasts, not leaving the arena during a round or leaving before the presentations.

- Assist your child to remain focused by not distracting them.
- Encourage your child to support their partners or team mates, [especially if mistakes occur] and not show bad temper or irritation whilst in the arena.
- Ensure that your child is prepared for the competition by arriving at the stated time & having the correct kit, removing jewellery etc.
- Parents should not approach the officials or judges under any circumstances.
