

Richmond Gymnastics Association's Diamond Festival of Gymnastics 25th June 2022

Gymnasts:

- The festival is a series of 6 displays that run throughout the day.
- Each gymnast will perform in **2 displays**.
- All of our general gymnasts along with some selected groups will perform a display with their class friends in a performance that will also include 300 other gymnasts from within our general gymnastics programme and those in invitational groups and competitive squads, including our Team GB gymnasts.
- Gymnasts need to sign up for the festival, so we know the numbers of the gymnasts attending. Please visit your online account and go to the competitions tab to register your child.
- Registration is £5 and gymnasts will receive a branded wristband when they arrive on the day and be presented with a sustainable medal for participating when they have finished both displays.
- **Registration is open now.**

Parents:

- Parents have the ability to buy tickets to watch one of their performances.
- This year's theme is "**Diamonds**", as RGA is 62 years old, and our gymnasts will perform to songs and dress up in costumes relating to music through the last six decades.
- Tickets will be available to purchase through Eventbrite from Monday 23rd May and parents will only receive a link to the tickets once they have registered their child. However, we ask that parents limit themselves to 2 tickets for only 1 display so that all our performers are able to have family watching.

Marketplace:

- In order that families, guests & gymnasts can get some refreshments through the day and get involved in fundraising to support "post covid" we will have a myriad of stalls and activities with fun for all the family in our marketplace throughout the day. Parents and family members will be able to wait here whilst their child is performing.
- The food provision will include a barbecue selling delicious produce from local providers as well as a welcome return of our homemade cake stall.
- We have a professional sports photographer coming who will be photographing throughout the day so you can get some great snaps of your child, and a Photo Booth for them to get some lovely portraits in.
- There will be something for everyone with our hook a duck and gift tombola as well as nail and face painting. Come and have some fun!

- Please make sure your child is on time and you are here in plenty of time to watch the performance. We are working to a very tight schedule and the show will go on regardless of whether all the gymnasts and spectators have arrived.
- Please note there will be NO parking in the RGA car park on the day, and very limited parking in the overflow car park. We would suggest travelling by public transport or parking at the Kew retail park (4-hour limit) just a short walk away.

Gymnasts will receive an email closer to the time with the music they will be performing to and the costume they will need to wear on the day. We do hope you will join us for a fun-filled day and support your gymnasts to have a wonderful experience, whilst celebrating the club's 62 year old birthday.
