Photography policy

It is not the intention of British Gymnastics (BG) or RGA to prevent parents from taking pictures of their children, but rather to ensure photographic practices are carefully monitored to allow the authorities to act if inappropriate imagery is circulated, and to deter anyone with undesirable intentions.

RGA adopts BG policy statement for the use of filming via, camera, video or mobile phone at all competition or events. Click here for BG's Photography Policy.

Any parent amateur or professional photographer or any person using picture recording equipment must provide the club with all relevant details and have the permission of the club.

Only photographs or videos with prior consent can be posted on social media.

The RGA Competition Policy will be regularly reviewed by the Trustees and updated as necessary.
